NOUVEAU PLANTER

NOUVEAU PLANTER

The Nouveau ceramic Planter has a tall, curved body divided by slender vertical ribs. A stepped circular rim defines the opening, while four integrated feet lift the vessel slightly from the floor. The understated detailing works well in both traditional and contemporary spaces. Select from several standard finishes or specify a custom finish upon request. Small variations in form, texture, and color are expected in each handcrafted piece.

DIMENSION

SKU# 70-1011 - 17" Diam. x 14"H
