TIMOR PLANTER

TIMOR PLANTER

The Timor ceramic Planter has a broad, rounded ceramic form covered with a continuous raised chevron pattern. The deeply defined lines add texture and emphasize the vessel's curved profile, while a smooth upper band and rolled rim frame the opening. Natural variations in the surface, pattern, and color result from its handcrafted production.

DIMENSION

SKU# 70-1018 - 23" Diam. x 16"H

SKU# 70-1019 - 16" Diam. x 20"H
